Hearts-in-Harmony Novi Sad The second international inclusive choral workshop

Novi Sad, Vojvodina, Serbia | 15-19/06/2012

Inclusive choral workshop for handicapped and non-handicapped people, including P.A.M. special musical robots for people with serious forms of disability. American composer and violinist Kurt Coble designed a dozen special robots for Hearts-in-Harmony Novi Sad to enable participation to the persons with serious forms of disability in the choir. Organized by the association «Faith, love, hope», and in cooperation with the Cantat Novi Sad and the European Choral Association Europa Cantat.

Participants should cover their travelling and local transportation expenses. Accommodation and meals are covered by Hearts-in-Harmony Novi Sad.
